

Rheumatology Update LIVE ONLINE

Friday, Oct 16, 2020 / 7:30 am - 3:00 pm ET

REGISTER FREE at Rheumupdate2020.com

LIMITED SPACE AVAILABLE

Join us for Rheumatology Update on October 16, 2020! Rheumatology Update is a one-day congress bringing together rheumatologists from across Canada to review the latest data, guidelines, and best practices for the treatment of spondyloarthritis (SpA) with leaders in their field. This edition of Rheumatology Update will be presented exclusively online, offering an outstanding virtual experience to our delegates.

WHO SHOULD ATTEND

Rheumatologists, General Internists, Rheumatology Residents, Internal Medicine Residents, Rheumatological Nurses, Physiotherapists, and Occupational Therapists with Rheumatological interest.

CONFERENCE HIGHLIGHTS INCLUDE

- Role of imaging in SpA
- Advances in PsA
- Role of IL17 in SpA and when to use a biologic
- Non-pharmacological treatment of AS
- Current concepts in IBD and uveitis
